We Care

OUR CORPORATE SOCIAL INVESTMENT

Since 2008, Cranbourne Panelbeaters has trained more than 20 young individuals from local children's shelter, Kids Haven in Benoni. We have trained them in various areas of the panel beating business, some of whom are still involved today.

We believe that training young individuals in a skill, will stand them in good stead for a promising career. All of the company's journeymen undertook and completed their apprenticeships at the shop, and it is hoped that a lot more individuals will qualify in the future.

In 2013, our spray painter (who also did his apprenticeship with us) won the RM South African 'Best Painter' award and went to France to compete against the rest of the world, where he finished seventh overall.
